

WELCOME TO WAGON WHEEL!

ABOUT US

Wagon Wheel Figure Skating Club (WWFSC) has been a member club of U.S. Figure Skating since September 1956. Our purpose is to encourage the instruction, practice, and advancement of our members in all disciplines of figure skating, and to sponsor and conduct test sessions, skating clinics, exhibitions, competitions, and shows so that members and spectators may better understand and participate in the sport of figure skating. Our home rink is the Crystal Ice House in Crystal Lake, Illinois and we are a founding member of the Skating Council of Illinois.

MEMBERSHIP AT A GLANCE

No matter what level you choose, Wagon Wheel's membership year runs from July 1 - June 30. Membership fees are not prorated, and take 1-2 weeks to process. Renew annually in June to avoid a lapse in membership and coverage (which could impact your ability to compete and test).

ASPIRE

WAGON WHEEL ASPIRE PROGRAM

*Group or
private lesson
skaters*

This free provisional membership with WWFSC bridges skaters from Learn to Skate USA to full WWFSC membership. ASPIRE provides a way for new skaters to engage in club activities, test sessions, and recognition programs. Skaters must first register annually with U.S. Figure Skating for the "Wagon Wheel ASPIRE" Program. Skaters may annually renew as ASPIRE members until they require a full membership and progress to Introductory (usually due to passing their first formal U.S. Figure Skating tests).

INTRO

INTRODUCTORY FULL MEMBERSHIP

*First-time full U.S.
Figure Skating
member through
WWFSC*

Introductory membership is for Learn to Skate USA and Wagon Wheel ASPIRE Program members who are ready to fully join the club for the first time. Introductory membership is a full U.S. Figure Skating membership offered through WWFSC. Skaters are only eligible once for this discounted membership (if you have been a full member of another club this discount will not apply).

FULL

FULL MEMBERSHIP

*Skaters joining or
rejoining U.S.
Figure Skating*

Full U.S. Figure membership through WWFSC provides the maximum club benefits outlined in this document. A full membership is required to test and compete without limitation in the U.S. Figure Skating pipeline.

Full memberships offered: Home Club, Home Club Additional, Professional, Collegiate

ASSOCIATE

ASSOCIATE MEMBERSHIP

desire select
WWFSC benefits*

This secondary club membership is for skaters and coaches desiring priority over non-members at WWFSC test sessions and/or to use club resources such as the on- and off-ice harnesses at our home rink. Must be a full member of another U.S. Figure Skating Club.
